## About Priority Cares Home Services

Hello, and thank you so much for your interest in joining Priority Cares Home Services. My name is Alex, and I'm here to tell you a little about who we are and what this role is all about. Priority Cares is one of New York's most trusted home care agencies, serving thousands of families across all five boroughs. We've been helping people live comfortably and safely in their own homes for years — and our caregivers are the heart of everything we do. That's okay — we provide full training and HHA certification support. We offer flexible scheduling, competitive pay, weekly direct deposit, and a supportive team that's always just a phone call away. If you're someone who genuinely cares about people and wants to make a real difference every single day, this could be exactly the right role for you.
