About ESO Consultants

Thank you for your interest in IT staffing opportunities through ESO Consultants. ESO is a specialized staffing firm with an active IT and systems division, placing technology professionals with organizations across the United States. Whether you're a systems administrator, network engineer, help desk specialist, or software developer, we have contracts and permanent placements across multiple industries. ESO's IT staffing team works quickly — we review resumes within 48 hours and try to get qualified candidates in front of hiring managers within one week of application. We work with direct client relationships, so there's no layered agency markup and you get the full rate your skills deserve. If you're an IT professional looking for contract or permanent placement with a team that moves fast and treats you right — apply today. ---

The Role: IT Specialist / Systems Administrator

Contract and permanent IT staffing placements across network, systems, help desk, and development disciplines.

What You'll Be Doing

- Varies by placement — IT support, network administration, systems management, or development
- Follow client IT policies and security protocols
- Work directly with end-client teams

What We're Looking For

- Relevant IT certifications or degree
- Strong communication and documentation skills
- Experience in target discipline (network, systems, help desk, dev)
- US work authorization

What We Offer

- ✓ Competitive contract or permanent rates
- ✓ Fast placement process
- ✓ Direct client relationships
